MEDICAL.

Intered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the Listrict Court for the Eastern District of Pennsylvania. REAT CURE FOR DYSPEPSIA!-ANOTHER SCIEN-DR. J. S. HOUGHTON'S

THE TRUE DIGESTIVE FLUID, OR GASTRIC JUICE. PREPARED from Rennet, or the Fourth Stomach of the Ox, after the directions of Baron Liebig, the great Physiclogical Chemist, by J. S. Houghton, M. D., Philadelphia,

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Consumption and Debility, curing after Nature's own method, by Nature's own Agent, the Gastrie Juice. Half a tea-spoonful of Pepsin, infused in water, will digest or dissolve five pounds of roast beef in about two hours, out of the stomach.

Pepsin is the chief element or digesting principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an artificial digestive fluid precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed just as they would be by a healthy stomach. It is doing wonders for dyspeptics, during cases of Debility, Emaciation, Nervous Decline and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based is in the highest degree curious and remarkable.

Scientific Evidence.—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analagous to the Gastric Juice, may be prepared from the nuccous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the numan stomach.

Dr. Preira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 25, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Priera. There are few higher authorities than Dr. Priera.

Dr. Combe, in his valuable writings on the "Paysiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in Physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Dr. Simon's great work, the "Chemistry of Man," (Lee & Blanchard, Philadelphia, 1846, pp. 321-2,) says: "The dissolver of Presin forms a pay are in the chemical history of

covery of Pepsin forms a new era in the chemical history of digestion. From recent experiments we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself." Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastrie Juice obtain from the living human stomach, and from animals, are well known. "In all cases," he says, "digestion occurred as per-

fectly in the artificial as in the natural digestion."
Dr. John W. Draper, Professor of Chemistry in the College of the University of New York, in his "Text Book of Chemistry," page 386, says: "It has been a question whether artificial digestion could be performed-but it is now universally admitted that it may be." Dr. Carpenter's standard work on Physiology, which is in

the library of every physician, and is used as a text-book in all the colleges, is full of evidence similar to the above, respecting the remarkable digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in artificial digestion, or as a remedy for diseases of the stomach, and deficient secretion of the Gastric Juice. All modern works on Chemistry, Materia Medica and Physiology, and all good Medical Dictionaries, describe the char-

acter and properties of Pepsin, and state many interesting details respecting it. The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily prepared, does not admit of question. The only wonder is, that

it has not before been applied to the cure of Indigestion and Dyspepsia—so naturally does such a use suggest itself to the As a Dyspepsia Curer, Dr. Houghton's Pepsin has produced the most marvellous effects, in cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all

desperate cases, and the cures were not only rapid and wonderful, but permanent. It is a great nervous antidote, and particularly useful for endency to Bilious Disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine and Mercury and other drugs upon the digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles health

Old Stomach Complaints. - There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad it may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of blood and vigor of body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Pit of the Stomach, Distress after Eating, Low, Cold State of the Blood, Heaviness, Lowness of Spirits, Despondency, Ema-ciation, Weakness, Tendency to Insanity, Suicide, &c.

Dr. Houghton's Pepsin is sold by nearly all the dealers in fine drugs and popular medicines throughout the United States. It is prepared in powder and in fluid form, and in prescription vials for the use of physicians. Private Circulars for the use of physicians, may be obtained of Dr. J. S. Houghton, or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular practice. Price ONE DOLLAR per Bottle. Pepsin in Powder sent by mail free of postage.-For

convenience of sending to all parts of the country, the Di-gestive Matter of Pepsin is put up in the form of Powder, with directions to be dissolved in water by the patient. These Powders contain just the same matter as the will be sent by mail, free of postage, for ONE DOLLAR sent (postpaid) to Dr. J. S. HOUGHTON, M. D., Philadelphia,

MEDICAL.

AFFLICTED READ! PHILADELPHIA MEDICAL HOUSE.—Established 15 years ago by DR. KINKELIN. The oldest, surest and best hand to cure all forms of secret diseases of the skin, and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union streets, between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.

Take Particular Notice.—There is a habit which

boys teach each other at the academy or college-a habit indulged in when by themselves, in solitude, growing up with the boy to manhood, and which, if not abandoned in due time, not only begets serious obstacles to matrimonial hap-piness, but gives rice to a series of protracted, insidious and devastating affections. Few of those who include in this permicious practice are aware of the consequences, until they find the nervous system is shattered, feel strange and unaccountable feelings, vague fears in the mind. The individnal becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak, he is dull and irresolute, the countenance is downcast, the eyes without natural lustre, shamefacedness is apparent. These are symptoms which should archive the attention of those similarly afficied.

If the victim be conscious of the cause of his decay, and having relinquished the odious practice, he suffers under those terrible nocturnal emissions, which weaken and shame him, producing mental and physical prostration. If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his senses tell him that this is caused by his early follies. Too many think they will hug the secret to their own hearts, and cure themselves. Alas' how often is this a fatal delusion, and how many a promising youth, who might have been an ornament to society, has faded from the earth! Young Men!-Let no false modesty deter you from making your case known to one who, from education and respectibility, can alone befriend you. He who places himself under DR. KINKELIN'S treatment, may religiously confide his honor as a gentleman, and in whose bosom will be

orever locked the secret of the patient.

Country Invalids.—Finding it inconvenient to make personal application, can, by stating their case explicitly, to-gether with all their symptoms, (per letter post paid,) have forwarded to them a chest containing Dr. K.'s medicines, appropriated accordingly, and be cured at home.

Strictures of the urethra, weakness and constitutional debility, promptly cured, and full vigor restored. All letters

** A remittance of 25 cents in a letter, postpaid, ad dressed to Dr. Kinkelin, Philadelphia, will secure his book on the Secret Infirmities of Youth. june7-wly

LIVER COMPLAINT, AUNDICE, Dyspepsia, Chrome or Nervous Debility, Discases of the Kidneys, and all diseases arising from a disordered Liver or Stomach, such as Constitution, Inward Piles, Fullness, or Blood to the Head, Acidity of the Stom-ach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the heart, Choking or Suffocating, Sensations when in a lying posture, Dunness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits, can be effectually cured by

Dr. Hoofland's Celebrated German Bitters, Prepared by Dr. C. M. JACKSON, at the German Medicine Store, 120 Arch street, Philadelphia. Their power over the above diseases is not excelled, if equaled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had

These Bitters are worthy the attention of invalids, possessing great virtues in the rectification of diseases of the liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED. From the "Boston Bee."

The editor said, Dec. 22d: DR. HOOFLAND'S CRLEBRATED GERMAN BITTERS, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself re ceived an effectual and permanent cure of liver complaint from the use of this remedy. We are convinced that, in the use of these bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stornachs with safety, under any circumstances. We are speaking from experience, and to the af-

flicted we advise their use. "Scott's Weekly," one of the best literary papers pub ished, said, Aug. 29th. "Dr. Hoofland's German Bitters manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of Fernale weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus seve themselves much siekness. Persons of debilitated constitution will find these bitters advantageous to their health, as we

know from experience the salutary effect they have on weak More Evidence. The Hon. C. D. Hineline, Mayor of the city of Camden, N. J., says: "HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say that we found it specific in its action upon diseases of the

liver and digestive organs, and the influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, making sleep refreshing. "If this medicine was more generally used, we are satisfied there would be less sickness, as from this stynach, liver and nervous system the great majority of real and imagina-ry diseases emanate. Have them in a healthy andition, and you can bid defiance to epidemics generally. This extra-ordinary medicine we would advise our friends who are at all indisposed, to give a trial: it will recommend itself. It should, in fact, be in every family. No other medicine can

produce such evidences of merit," Evidence upon evidence has been received (like the fore going,) from all sections of the Union, the last three years, and the stongest testimony in its favor, is, that there is more of it used in the practice of the regular physicians of Phila delphia, than all other nostrums combined-a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presedent even in this form. That this medicine will cure liver complaint and dyspep

sia, no one can doubt after using it as directed. It acts spe cifically upon the stomach and fiver: it is preferable to calomel in all billous diseases; the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time. LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle-without which they are spurious.

DR. ARNOLD'S UNION PILLS. GREEN HILL, Tenn., January 19, 1852. Dr. Arnold-Dear Sir-I consider it but an act of justice to yourself and the community, to state to you the very great benefit I have received from the use of your Union Pills. Having been for quita a number of years, greatly troubled with dispepsia, and constipation of the bowels; at times alarming me greatly, I used every other remedy, al-most that I ever read or head of for the disease, all without the least beneficial effect. I had almost come to the belief, that it was useless to try any more; as I labored under great debility, and my stomach was greatly injured by tak-ing the different Pills, medicine, &c.; but on hearing my neighbors speak so frequently of the beneficial effects of your Union Pills, I concluded to give them a trial, and bought a fifty cents vial, and commenced their use. From the first dose of one Pill I was satisfied it was the medicine for me. I have not yet used quite one vial, and can now say to you with the utmost pleasure, that I have not for the last ten years felt as well, or enjoyed such good health, as I have since commencing the use of your Pills. I would take no sum for the good these Pills have done me, and almost every branch of my family have used them with the same happy effect. At times some of the negroes have had symptoms of fever-at the first complaint I have given them one or effected a cure. Your other medicines used by my family, have had the most happy effect. I shall always keep a sup-ply of your Pills on hand, and I think that no one, laboring as I have under great debility and dyspepsia, with all thei evil consequences, but what would, after a use of your med-

idines, join me in saying the same of them.
